Gilmour Plumbing & Gas

Company Overview

Gilmour Plumbing & Gas is a privately owned business servicing commercial, industrial and maintenance clients.

We are capable of all plumbing and gas projects, large or small, and aim to build long term relationships with our clients and partners.

We pride ourselves on quality workmanship whilst maintaining a high level of professionalism and safety.

Gilmour Plumbing & Gas services the entire South West region from Bunbury to Augusta, Eaton to Waroona.

WHY CHOOSE GILMOUR PLUMBING & GAS?

- Our **scheduling and work system** provides our clients with up-to-date job information.
- Our team is **punctual, professional, and friendly**, offering solution-based service to save you time and money.
- We pride ourselves on our **customer-first** attitude and offer excellent value for money.
- We **care** about your property and will leave it clean and tidy.
- We only use **trusted products** backed by **manufacturer's warranty**.

OUR VALUES

We are not **satisfied** until each job is completed to the best of our ability. Our **commitment** to this is reflected in our long-term contract arrangements and repeat customers.

We always keep up to date with industry regulations and plumbing standards and continuously look for more **efficient** ways to complete any task.

We are **flexible** and **adaptable** to the unexpected challenges that can occur when working on **large projects**.
